

Senior Python Developer

Company: Instabug

Location: Maadi, Cairo | **Type:** Full Time | **Level:** Entry Level (0–2 years)

About the Role

Instabug is seeking a talented **Senior Python Developer** to join our growing team in Maadi, Cairo. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

Key Responsibilities

- Integrate third-party APIs and payment gateways as needed.
- Contribute to architectural decisions and the technical roadmap.
- Design, develop, and maintain scalable web applications and RESTful APIs.
- Collaborate with product managers and UX designers to translate requirements into features.
- Identify and fix performance bottlenecks, bugs, and security vulnerabilities.
- Conduct code reviews and provide constructive feedback to teammates.
- Participate in Agile ceremonies: sprint planning, stand-ups, and retrospectives.
- Write clean, well-documented, and testable code following SOLID principles.

Requirements

- Experience with relational databases (PostgreSQL, MySQL) and NoSQL (MongoDB, Redis).
- Knowledge of Git and CI/CD pipelines.
- 3+ years of professional software development experience.
- Strong problem-solving skills in a fast-paced environment.
- Understanding of containerisation with Docker and Kubernetes.
- Strong proficiency in Python, Node.js, Java, or Go.

Nice to Have

- Experience with microservices architecture.
- Familiarity with Infrastructure as Code tools like Terraform.
- Knowledge of message queues such as Kafka or RabbitMQ.

Required Skills

React, REST APIs, JavaScript, AWS, PostgreSQL, Agile/Scrum, Python

What We Offer

- 21 days paid annual leave, increasing with tenure.
- Flexible working hours and hybrid work option (2 days remote per week).
- Performance-based annual bonus up to 20% of base salary.
- Subsidised meals in the office canteen.
- Access to LinkedIn Learning and external training budget (EGP 5,000/year).
- Monthly team social events and annual company retreat.

How to Apply

Send your CV and a short cover letter to careers@instabug.com with the subject line "**Senior Python Developer – Application**". Only shortlisted candidates will be contacted within 2 weeks.
