

API Developer

Company: Halan

Location: Mohandessin, Giza | **Type:** Full Time | **Level:** Entry Level (0–2 years)

About the Role

Halan is seeking a talented **API Developer** to join our growing team in Mohandessin, Giza. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

Key Responsibilities

- Conduct code reviews and provide constructive feedback to teammates.
- Participate in Agile ceremonies: sprint planning, stand-ups, and retrospectives.
- Integrate third-party APIs and payment gateways as needed.
- Write clean, well-documented, and testable code following SOLID principles.
- Deploy and monitor services on cloud infrastructure (AWS / GCP / Azure).
- Design, develop, and maintain scalable web applications and RESTful APIs.
- Identify and fix performance bottlenecks, bugs, and security vulnerabilities.
- Contribute to architectural decisions and the technical roadmap.

Requirements

- Strong problem-solving skills in a fast-paced environment.
- Knowledge of Git and CI/CD pipelines.
- Experience with relational databases (PostgreSQL, MySQL) and NoSQL (MongoDB, Redis).
- Understanding of containerisation with Docker and Kubernetes.
- Strong proficiency in Python, Node.js, Java, or Go.
- 3+ years of professional software development experience.

Nice to Have

- Experience with microservices architecture.
- Contributions to open-source projects.
- Knowledge of message queues such as Kafka or RabbitMQ.

Required Skills

AWS, REST APIs, Agile/Scrum, React, PostgreSQL, Docker, Django/FastAPI

What We Offer

- Access to LinkedIn Learning and external training budget (EGP 5,000/year).
- Flexible working hours and hybrid work option (2 days remote per week).
- Life insurance and disability coverage.
- Monthly transportation allowance.
- Comprehensive private health insurance covering employee and family.
- 21 days paid annual leave, increasing with tenure.

How to Apply

Send your CV and a short cover letter to careers@halan.com with the subject line "**API Developer – Application**". Only shortlisted candidates will be contacted within 2 weeks.
