

Machine Learning Engineer

Company: Wasla

Location: Smart Village, Giza | **Type:** Full Time | **Level:** Lead / Managerial (8+ years)

About the Role

Wasla is seeking a talented **Machine Learning Engineer** to join our growing team in Smart Village, Giza. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

Key Responsibilities

- Monitor model performance and retrain as data distributions shift.
- Document methodologies, experiments, and results clearly.
- Stay current with ML research trends and evaluate new techniques.
- Create dashboards and reports using BI tools to communicate findings to stakeholders.
- Collaborate with engineers to deploy models to production environments.
- Define KPIs and success metrics with product and business teams.
- Perform exploratory data analysis to uncover insights from large datasets.
- Build, train, and evaluate machine learning models for business problems.

Requirements

- Solid understanding of statistical concepts: regression, clustering, hypothesis testing.
- Experience with SQL and relational databases.
- Experience with data visualisation tools such as Tableau or Power BI.
- Bachelor's or Master's degree in Computer Science, Statistics, or a quantitative field.
- Strong proficiency in Python (pandas, NumPy, scikit-learn, PyTorch or TensorFlow).
- Ability to communicate technical findings to non-technical audiences.

Nice to Have

- Knowledge of MLflow or similar experiment tracking tools.
- Experience with NLP and transformer-based models.
- Published research or Kaggle competition experience.

Required Skills

SQL, A/B Testing, TensorFlow/PyTorch, Machine Learning, Statistics, Spark, Tableau

What We Offer

- 21 days paid annual leave, increasing with tenure.
 - Competitive salary benchmarked to market rates.
 - Life insurance and disability coverage.
 - Paid maternity (90 days) and paternity (7 days) leave above legal minimum.
 - Comprehensive private health insurance covering employee and family.
 - Performance-based annual bonus up to 20% of base salary.
-

How to Apply

Send your CV and a short cover letter to careers@wasla.com with the subject line "**Machine Learning Engineer – Application**". Only shortlisted candidates will be contacted within 2 weeks.
