

Deep Learning Researcher

Company: Dsquares

Location: Mohandessin, Giza | **Type:** Full Time | **Level:** Senior Level (5–8 years)

About the Role

Dsquares is seeking a talented **Deep Learning Researcher** to join our growing team in Mohandessin, Giza. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

Key Responsibilities

- Design and maintain data pipelines for ingestion, transformation, and storage.
- Perform exploratory data analysis to uncover insights from large datasets.
- Monitor model performance and retrain as data distributions shift.
- Stay current with ML research trends and evaluate new techniques.
- Document methodologies, experiments, and results clearly.
- Define KPIs and success metrics with product and business teams.
- Create dashboards and reports using BI tools to communicate findings to stakeholders.
- Implement A/B testing frameworks and analyse experiment results.

Requirements

- Ability to communicate technical findings to non-technical audiences.
- Bachelor's or Master's degree in Computer Science, Statistics, or a quantitative field.
- Experience with data visualisation tools such as Tableau or Power BI.
- Experience with SQL and relational databases.
- Solid understanding of statistical concepts: regression, clustering, hypothesis testing.
- Strong proficiency in Python (pandas, NumPy, scikit-learn, PyTorch or TensorFlow).

Nice to Have

- Experience with NLP and transformer-based models.
- Familiarity with cloud ML services like SageMaker or Vertex AI.
- Published research or Kaggle competition experience.

Required Skills

Machine Learning, Spark, A/B Testing, Statistics, MLflow, TensorFlow/PyTorch, SQL

What We Offer

- Comprehensive private health insurance covering employee and family.
 - 21 days paid annual leave, increasing with tenure.
 - Competitive salary benchmarked to market rates.
 - Access to LinkedIn Learning and external training budget (EGP 5,000/year).
 - Stock options for senior roles.
 - Monthly transportation allowance.
-

How to Apply

Send your CV and a short cover letter to careers@dsquares.com with the subject line "**Deep Learning Researcher – Application**". Only shortlisted candidates will be contacted within 2 weeks.
