

Analytics Engineer

Company: Homzmart

Location: Smart Village, Giza | **Type:** Full Time | **Level:** Lead / Managerial (8+ years)

About the Role

Homzmart is seeking a talented **Analytics Engineer** to join our growing team in Smart Village, Giza. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

Key Responsibilities

- Build, train, and evaluate machine learning models for business problems.
- Document methodologies, experiments, and results clearly.
- Perform exploratory data analysis to uncover insights from large datasets.
- Collaborate with engineers to deploy models to production environments.
- Monitor model performance and retrain as data distributions shift.
- Create dashboards and reports using BI tools to communicate findings to stakeholders.
- Design and maintain data pipelines for ingestion, transformation, and storage.
- Implement A/B testing frameworks and analyse experiment results.

Requirements

- Ability to communicate technical findings to non-technical audiences.
- Strong proficiency in Python (pandas, NumPy, scikit-learn, PyTorch or TensorFlow).
- Experience with SQL and relational databases.
- Solid understanding of statistical concepts: regression, clustering, hypothesis testing.
- Bachelor's or Master's degree in Computer Science, Statistics, or a quantitative field.
- Experience with data visualisation tools such as Tableau or Power BI.

Nice to Have

- Experience with NLP and transformer-based models.
- Familiarity with cloud ML services like SageMaker or Vertex AI.
- Knowledge of MLflow or similar experiment tracking tools.

Required Skills

Machine Learning, TensorFlow/PyTorch, Python, Tableau, A/B Testing, SQL, Data Visualisation

What We Offer

- Flexible working hours and hybrid work option (2 days remote per week).
- Performance-based annual bonus up to 20% of base salary.
- Competitive salary benchmarked to market rates.
- Stock options for senior roles.
- Subsidised meals in the office canteen.
- 21 days paid annual leave, increasing with tenure.

How to Apply

Send your CV and a short cover letter to careers@homzmart.com with the subject line "**Analytics Engineer – Application**". Only shortlisted candidates will be contacted within 2 weeks.
