

Project Engineer - Construction

Company: Rabbit

Location: Nasr City, Cairo | **Type:** Full Time | **Level:** Entry Level (0–2 years)

About the Role

Rabbit is seeking a talented **Project Engineer - Construction** to join our growing team in Nasr City, Cairo. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

Key Responsibilities

- Prepare Bills of Quantities and cost estimates for tender submissions.
- Conduct soil and material testing and interpret geotechnical reports.
- Coordinate with contractors, consultants, and government authorities.
- Supervise on-site construction activities to ensure compliance with specifications.
- Produce daily, weekly, and monthly progress reports.
- Ensure all works comply with local building codes and safety regulations.
- Prepare and review structural and architectural drawings using AutoCAD and Revit.
- Manage subcontractor relationships and evaluate their performance.

Requirements

- Strong knowledge of Egyptian building codes and standards.
- Bachelor's degree in Civil Engineering or Architectural Engineering.
- 3–7 years of experience in construction or infrastructure projects.
- Excellent communication and team leadership skills.
- Proficiency in AutoCAD, Revit, and MS Project.
- Ability to read and interpret technical drawings and specifications.

Nice to Have

- PMP certification.
- Experience in fast-growing real estate development projects.
- Knowledge of LEED or green building standards.

Required Skills

PRIMAVERA, BOQ Preparation, BIM, Revit, AutoCAD, Site Supervision, MS Project

What We Offer

- Performance-based annual bonus up to 20% of base salary.
- Comprehensive private health insurance covering employee and family.
- Life insurance and disability coverage.
- Paid maternity (90 days) and paternity (7 days) leave above legal minimum.
- 21 days paid annual leave, increasing with tenure.
- Stock options for senior roles.

How to Apply

Send your CV and a short cover letter to careers@rabbit.com with the subject line "**Project Engineer - Construction – Application**". Only shortlisted candidates will be contacted within 2 weeks.
