

BIM Engineer

Company: Fawry

Location: New Cairo | **Type:** Full Time | **Level:** Mid Level (2–5 years)

About the Role

Fawry is seeking a talented **BIM Engineer** to join our growing team in New Cairo. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

Key Responsibilities

- Manage subcontractor relationships and evaluate their performance.
- Supervise on-site construction activities to ensure compliance with specifications.
- Ensure all works comply with local building codes and safety regulations.
- Monitor project timelines and budgets and report deviations to management.
- Prepare Bills of Quantities and cost estimates for tender submissions.
- Conduct soil and material testing and interpret geotechnical reports.
- Prepare and review structural and architectural drawings using AutoCAD and Revit.
- Inspect completed work and issue snag lists for rectification.

Requirements

- Ability to read and interpret technical drawings and specifications.
- Proficiency in AutoCAD, Revit, and MS Project.
- Bachelor's degree in Civil Engineering or Architectural Engineering.
- Excellent communication and team leadership skills.
- Strong knowledge of Egyptian building codes and standards.
- 3–7 years of experience in construction or infrastructure projects.

Nice to Have

- Experience in fast-growing real estate development projects.
- Knowledge of LEED or green building standards.
- PMP certification.

Required Skills

Revit, Structural Analysis, MS Project, PRIMAVERA, Site Supervision, Safety Management, BIM

What We Offer

- Monthly team social events and annual company retreat.
 - Comprehensive private health insurance covering employee and family.
 - 21 days paid annual leave, increasing with tenure.
 - Flexible working hours and hybrid work option (2 days remote per week).
 - Access to LinkedIn Learning and external training budget (EGP 5,000/year).
 - Monthly transportation allowance.
-

How to Apply

Send your CV and a short cover letter to careers@fawry.com with the subject line "**BIM Engineer – Application**". Only shortlisted candidates will be contacted within 2 weeks.
