

# Maintenance Engineer

**Company:** Wasla

**Location:** Smart Village, Giza | **Type:** Full Time | **Level:** Lead / Managerial (8+ years)

---

## About the Role

Wasla is seeking a talented **Maintenance Engineer** to join our growing team in Smart Village, Giza. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

## Key Responsibilities

- Perform engineering calculations and simulations to validate designs.
- Oversee manufacturing processes and ensure adherence to quality standards.
- Support new product development from concept through to production.
- Troubleshoot mechanical failures and implement corrective actions.
- Conduct preventive and predictive maintenance planning for plant equipment.
- Coordinate with procurement for equipment sourcing and vendor evaluation.
- Prepare technical documentation including drawings, specs, and maintenance manuals.
- Liaise with cross-functional teams including electrical and civil engineering.

## Requirements

- Knowledge of thermodynamics, fluid mechanics, and materials science.
- Familiarity with ISO 9001 quality management systems.
- Proficiency in SolidWorks, AutoCAD, or CATIA.
- Strong analytical and troubleshooting skills.
- Bachelor's degree in Mechanical Engineering.
- 3–6 years of experience in manufacturing, industrial, or HVAC projects.

## Nice to Have

- Knowledge of lean manufacturing and Six Sigma.
- PMP or engineering professional licence.
- Experience with HVAC or refrigeration systems.

## Required Skills

Technical Documentation, HVAC, AutoCAD, FEA Simulation, Lean Manufacturing, CAD/CAM, Preventive Maintenance

## What We Offer

- Life insurance and disability coverage.
  - Stock options for senior roles.
  - Paid maternity (90 days) and paternity (7 days) leave above legal minimum.
  - Comprehensive private health insurance covering employee and family.
  - Access to LinkedIn Learning and external training budget (EGP 5,000/year).
  - Competitive salary benchmarked to market rates.
- 

## How to Apply

Send your CV and a short cover letter to **careers@wasla.com** with the subject line "**Maintenance Engineer – Application**". Only shortlisted candidates will be contacted within 2 weeks.
