

HVAC Engineer

Company: Cartona

Location: New Cairo | **Type:** Full Time | **Level:** Entry Level (0–2 years)

About the Role

Cartona is seeking a talented **HVAC Engineer** to join our growing team in New Cairo. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

Key Responsibilities

- Conduct preventive and predictive maintenance planning for plant equipment.
- Support new product development from concept through to production.
- Prepare technical documentation including drawings, specs, and maintenance manuals.
- Liaise with cross-functional teams including electrical and civil engineering.
- Coordinate with procurement for equipment sourcing and vendor evaluation.
- Design and develop mechanical components and systems using CAD software.
- Troubleshoot mechanical failures and implement corrective actions.
- Ensure compliance with industry safety and environmental standards.

Requirements

- Knowledge of thermodynamics, fluid mechanics, and materials science.
- Familiarity with ISO 9001 quality management systems.
- Proficiency in SolidWorks, AutoCAD, or CATIA.
- Bachelor's degree in Mechanical Engineering.
- Strong analytical and troubleshooting skills.
- 3–6 years of experience in manufacturing, industrial, or HVAC projects.

Nice to Have

- PMP or engineering professional licence.
- Experience with HVAC or refrigeration systems.
- Knowledge of lean manufacturing and Six Sigma.

Required Skills

Technical Documentation, Lean Manufacturing, HVAC, Preventive Maintenance, SolidWorks, AutoCAD, CAD/CAM

What We Offer

- Monthly transportation allowance.
 - Stock options for senior roles.
 - Subsidised meals in the office canteen.
 - 21 days paid annual leave, increasing with tenure.
 - Performance-based annual bonus up to 20% of base salary.
 - Monthly team social events and annual company retreat.
-

How to Apply

Send your CV and a short cover letter to careers@cartona.com with the subject line "**HVAC Engineer – Application**". Only shortlisted candidates will be contacted within 2 weeks.
