

Production Engineer

Company: Trella

Location: Heliopolis, Cairo | **Type:** Full Time | **Level:** Mid Level (2–5 years)

About the Role

Trella is seeking a talented **Production Engineer** to join our growing team in Heliopolis, Cairo. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

Key Responsibilities

- Ensure compliance with industry safety and environmental standards.
- Coordinate with procurement for equipment sourcing and vendor evaluation.
- Perform engineering calculations and simulations to validate designs.
- Design and develop mechanical components and systems using CAD software.
- Oversee manufacturing processes and ensure adherence to quality standards.
- Liaise with cross-functional teams including electrical and civil engineering.
- Prepare technical documentation including drawings, specs, and maintenance manuals.
- Troubleshoot mechanical failures and implement corrective actions.

Requirements

- Familiarity with ISO 9001 quality management systems.
- 3–6 years of experience in manufacturing, industrial, or HVAC projects.
- Bachelor's degree in Mechanical Engineering.
- Strong analytical and troubleshooting skills.
- Proficiency in SolidWorks, AutoCAD, or CATIA.
- Knowledge of thermodynamics, fluid mechanics, and materials science.

Nice to Have

- PMP or engineering professional licence.
- Experience with HVAC or refrigeration systems.
- Knowledge of lean manufacturing and Six Sigma.

Required Skills

CAD/CAM, Lean Manufacturing, FEA Simulation, AutoCAD, SolidWorks, HVAC, Technical Documentation

What We Offer

- 21 days paid annual leave, increasing with tenure.
 - Subsidised meals in the office canteen.
 - Monthly transportation allowance.
 - Competitive salary benchmarked to market rates.
 - Life insurance and disability coverage.
 - Flexible working hours and hybrid work option (2 days remote per week).
-

How to Apply

Send your CV and a short cover letter to careers@trella.com with the subject line "**Production Engineer – Application**". Only shortlisted candidates will be contacted within 2 weeks.
