

Quality Control Engineer

Company: Khazna

Location: Nasr City, Cairo | **Type:** Full Time | **Level:** Entry Level (0–2 years)

About the Role

Khazna is seeking a talented **Quality Control Engineer** to join our growing team in Nasr City, Cairo. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

Key Responsibilities

- Coordinate with procurement for equipment sourcing and vendor evaluation.
- Liaise with cross-functional teams including electrical and civil engineering.
- Conduct preventive and predictive maintenance planning for plant equipment.
- Perform engineering calculations and simulations to validate designs.
- Design and develop mechanical components and systems using CAD software.
- Oversee manufacturing processes and ensure adherence to quality standards.
- Support new product development from concept through to production.
- Prepare technical documentation including drawings, specs, and maintenance manuals.

Requirements

- 3–6 years of experience in manufacturing, industrial, or HVAC projects.
- Knowledge of thermodynamics, fluid mechanics, and materials science.
- Proficiency in SolidWorks, AutoCAD, or CATIA.
- Bachelor's degree in Mechanical Engineering.
- Familiarity with ISO 9001 quality management systems.
- Strong analytical and troubleshooting skills.

Nice to Have

- Knowledge of lean manufacturing and Six Sigma.
- Experience with HVAC or refrigeration systems.
- PMP or engineering professional licence.

Required Skills

FEA Simulation, Lean Manufacturing, Preventive Maintenance, ISO 9001, AutoCAD, CAD/CAM, Technical Documentation

What We Offer

- Comprehensive private health insurance covering employee and family.
- Access to LinkedIn Learning and external training budget (EGP 5,000/year).
- Paid maternity (90 days) and paternity (7 days) leave above legal minimum.
- Stock options for senior roles.
- Subsidised meals in the office canteen.
- Monthly transportation allowance.

How to Apply

Send your CV and a short cover letter to **careers@khazna.com** with the subject line "**Quality Control Engineer – Application**". Only shortlisted candidates will be contacted within 2 weeks.
