

Plant Engineer

Company: Dsquares

Location: Mohandessin, Giza | **Type:** Full Time | **Level:** Senior Level (5–8 years)

About the Role

Dsquares is seeking a talented **Plant Engineer** to join our growing team in Mohandessin, Giza. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

Key Responsibilities

- Coordinate with procurement for equipment sourcing and vendor evaluation.
- Design and develop mechanical components and systems using CAD software.
- Liaise with cross-functional teams including electrical and civil engineering.
- Troubleshoot mechanical failures and implement corrective actions.
- Support new product development from concept through to production.
- Conduct preventive and predictive maintenance planning for plant equipment.
- Oversee manufacturing processes and ensure adherence to quality standards.
- Prepare technical documentation including drawings, specs, and maintenance manuals.

Requirements

- Knowledge of thermodynamics, fluid mechanics, and materials science.
- Strong analytical and troubleshooting skills.
- 3–6 years of experience in manufacturing, industrial, or HVAC projects.
- Proficiency in SolidWorks, AutoCAD, or CATIA.
- Bachelor's degree in Mechanical Engineering.
- Familiarity with ISO 9001 quality management systems.

Nice to Have

- Experience with HVAC or refrigeration systems.
- Knowledge of lean manufacturing and Six Sigma.
- PMP or engineering professional licence.

Required Skills

Lean Manufacturing, Preventive Maintenance, CAD/CAM, Technical Documentation, SolidWorks, ISO 9001, AutoCAD

What We Offer

- Comprehensive private health insurance covering employee and family.
 - Paid maternity (90 days) and paternity (7 days) leave above legal minimum.
 - Monthly team social events and annual company retreat.
 - Monthly transportation allowance.
 - Stock options for senior roles.
 - Flexible working hours and hybrid work option (2 days remote per week).
-

How to Apply

Send your CV and a short cover letter to **careers@dsquares.com** with the subject line "**Plant Engineer – Application**". Only shortlisted candidates will be contacted within 2 weeks.
