

Manufacturing Engineer

Company: Homzmart

Location: Smart Village, Giza | **Type:** Full Time | **Level:** Lead / Managerial (8+ years)

About the Role

Homzmart is seeking a talented **Manufacturing Engineer** to join our growing team in Smart Village, Giza. This is an exciting opportunity to contribute to challenging projects in a collaborative, fast-paced environment. You will have a direct impact on our products and customers while working alongside a passionate and skilled team.

Key Responsibilities

- Conduct preventive and predictive maintenance planning for plant equipment.
- Liaise with cross-functional teams including electrical and civil engineering.
- Troubleshoot mechanical failures and implement corrective actions.
- Prepare technical documentation including drawings, specs, and maintenance manuals.
- Perform engineering calculations and simulations to validate designs.
- Coordinate with procurement for equipment sourcing and vendor evaluation.
- Support new product development from concept through to production.
- Design and develop mechanical components and systems using CAD software.

Requirements

- 3–6 years of experience in manufacturing, industrial, or HVAC projects.
- Knowledge of thermodynamics, fluid mechanics, and materials science.
- Familiarity with ISO 9001 quality management systems.
- Bachelor's degree in Mechanical Engineering.
- Strong analytical and troubleshooting skills.
- Proficiency in SolidWorks, AutoCAD, or CATIA.

Nice to Have

- PMP or engineering professional licence.
- Experience with HVAC or refrigeration systems.
- Knowledge of lean manufacturing and Six Sigma.

Required Skills

HVAC, CAD/CAM, Lean Manufacturing, ISO 9001, Technical Documentation, FEA Simulation, AutoCAD

What We Offer

- Stock options for senior roles.
 - Access to LinkedIn Learning and external training budget (EGP 5,000/year).
 - 21 days paid annual leave, increasing with tenure.
 - Performance-based annual bonus up to 20% of base salary.
 - Life insurance and disability coverage.
 - Monthly transportation allowance.
-

How to Apply

Send your CV and a short cover letter to careers@homzmart.com with the subject line "**Manufacturing Engineer – Application**". Only shortlisted candidates will be contacted within 2 weeks.
